

Home page + Dashboard status

The screenshot shows a web browser at localhost:8501 displaying the 'Internship & Job Tracking Dashboard'. The browser's address bar shows 'localhost:8501' and the page title is 'Internship & Job Tracking Dashboard'. The dashboard has a light blue sidebar on the left with a 'main' menu containing links like 'Add Opportunity', 'View Search', 'Update Opportunity', 'Delete Opportunity', 'Analytics Dashboard', 'CSV Upload Export', 'Duplicate Detection', 'Deadline Alerts', and 'Database Health Check'. Below the menu is a 'Login' section with a green box indicating 'Logged in as: admin' and a blue box showing 'Role: Admin'. A 'Logout' button is at the bottom of the sidebar. The main content area has a title 'Internship & Job Tracking Dashboard' and a description: 'This application helps faculty members manage internship and job opportunities using:'. A list of technologies used is shown: Streamlit, PostgreSQL, pgAdmin, Docker Compose, and GitHub. Below this is a 'Login Credentials' section with two boxes: 'Admin' (Username: admin, Password: admin123) and 'Viewer' (Username: viewer, Password: viewer123). The 'Database Status' section shows a green box with the message 'Database connected successfully.'. At the bottom, a 'Total Opportunities' section displays the number '40'.
